

Premium seafood selections, **freshly** sourced processed with care

RedRibbon Indonesia offers a wide range of premium seafood, freshly sourced and processed under strict quality standards. We buy directly from trusted fishermen and auctions, ensuring freshness and consistency.

Certified by GMP, HACCP, BRC, ISO 22000

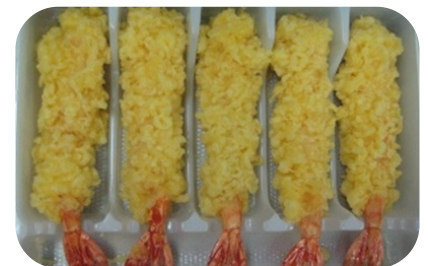

Fresh Products

Straight from sea to table, our fresh seafood is carefully selected and handled to maintain natural taste, texture, and nutritional value.

Frozen Products

Preserved with advanced freezing technology (IQF, Air Blast, and Contact Plate), our frozen seafood retains its original flavor and quality

Added Value

Customized cuts, ready-to-cook formats, and premium packaging for diverse markets.
