

PT. INDOMINA CIPTA AGUNG

PT. Indomina Cipta Agung was established in January 2001 in the Wijayakusuma Industrial Area of Semarang, Randu Garut Village, Tugu District. PT. Indomina Cipta Agung at the beginning of its establishment aimed to provide the need for animal protein, especially fresh, healthy, and halal fish processing.

Our main products are processed fish products and the main raw material is surimi based. Types of products include frozen fish meatballs, frozen fish nuggets and frozen fish sausages.

70 tons/Day
