HOUSE OF FISH

KNOW OUR COMPANY

Prima Bahari was founded by a local entrepreneur in 2002. It was one of the first seafood processing facilities in east Indonesia.

Today our company is world renowned and blessed with many partners around the globe. Our products have satisfied the palate of many customers and we hope that you are next in line.

“Our goal is to deliver our product as fresh as it was caught so that our customers can taste the flavor of the ocean in every bite.”
