About Us

PT. Rajawali Anugerah Seafood is a engaged in world wide distribution of frozen seafood products.

Was founded in 2006, **Rajawali Tuna** has grew to one of the largest tuna exporter in Indonesia.

We source our fish from 3 different areas across Indonesia and utilize a **HACCP** certified staff to monitor and inspect the processing on a daily basis.

Our focus is to provide the **best quality of seafood products** to meet our customer's demand.

WHAT MAKES US SPECIAL

HIGH QUALITY

Strict quality control system, including product testing and analysis which is used as an indicator to produce a good and consistent product.

GOOD MANUFACTURING

Every stage of processing carried out has gone through a good **HACCP** production process in order to maintain consistency in product quality and safety.

SUSTAINABILITY

We are partnering with **AP2HI** and **APNLF** to conduct Fishery Improvement Projects (FIP)
