PT. Intimas Surya

PT. Intimas Surya is an integrated fishery-based company in Jakarta and Bali since 1994. We specialize in tuna longline fishing, processing and exporting of fresh and frozen fish products.

We put safety, quality, legality, and authenticity at our highest standards. With our HACCP, BRC, and social audits certified processing plant, we continuously seek mutual cooperation with domestic and foreign counterparts to bring new and innovative fish products into the market. Furthermore, we are actively involved in Fisheries Improvement Projects (FIPs) and sustainable seafood programs with the goal of contributing to sustainable fishing practices.

Our Vision

To be a well-developed fishery company that maintains the ability to sustain seafood with safety, quality and legality.

Our Mission

To control food safety hazards by implementing a secure food safety management system during the production process.

To improve our operation's performance efficiently and effectively to achieve customer satisfaction.

To develop employee competency within the values of innovation, integrity, caring and synergy in the company.

To expand our business and strengthen our position with sustainable seafood practices in the fishery industry.
